Re: Frontier Communications of the Carolinas, LLC, Notice of Filing of Chapter 11  
Bankruptcy

Dear Ms. Boyd:

Frontier Communications of the Carolinas, LLC (“Frontier”) hereby provides notice to the South Carolina Public Service Commission that after the close of business on April 14, 2020, Frontier Communications Corporation and all of its subsidiaries (collectively, the “Frontier Filing Entities”), filed a petition under Chapter 11 of the Bankruptcy Code (the “Petition”) in the United States Bankruptcy Court for the Southern District of New York. This notice is given as a courtesy, and any required filings will be made subsequently. The bankruptcy filing did not result in any change to the current operations and Frontier will continue to operate as normal without any expected interruption to its valued customers in South Carolina. The reorganization of Frontier through the bankruptcy process is expected to improve the company’s financial and operational to the benefit of its customers.

Filing the Petition converted the legal status of the Frontier Filing Entities to debtors-in-possession that will continue to operate the business during the United States Bankruptcy Court-supervised reorganization process. Additional information related to Frontier’s restructuring and the Chapter 11 process is available to the Commission and Frontier’s customers via a dedicated web page at <https://frontierrestructuring.com>, which Frontier will update periodically as the process progresses.

Frontier wants to emphasize that this Chapter 11 filing will not interrupt any service to residential, business, or wholesale consumers, will not impact Frontier’s ability to provide voice or data in the state, and will not impact Frontier’s provision of 911 services throughout its service territory. Further, the Chapter 11 filing will not result in a change to the rates or terms of service provided to customers or offered to prospective customers in the normal course of business.

Frontier intends to continue the existing operations and to comply with its existing regulatory obligations and commitments without any change as a result of the filing of the Petition.

With best wishes, I am,

Sincerely
